

October 15, 2020

- Committee proposals: Send by this weekend (Saturday or Sunday)
 - Lianna
 - Jasmine
 - Shanna
 - Kate
- Career Consultation
 - Going through resumes, cover letters, job options
 - ~1 hour
 - Leadership connections and reaching out to editors
 - Things you'd never assume for resume buffing
 - Key responsibilities
 - Advocate for students to get started on the consultations early
 - Get the ball rolling on it
 - Responsibility of administration is to ensure that every student who goes to the university completes this consultation since it is not currently mandatory
 - Let the administration know there should be more stress on the importance of this (if they make sure the students get it done, we can make sure it's done in a timely manner)
 - Downsides/Room for Improvement
 - Megan was confused for somebody else and got sent to an interview she wasn't supposed to go to
 - Room to improve by hearing from students' experiences both good and bad
 - Time management an area to discuss, especially regarding work and school for people currently in the workforce
 - Discussing imposter syndrome and confidence as an applicant
- Concerns with Law course being so late in the curriculum
 - Liann filed a ticket to present this issue
 - Moving it to first year of part-time program
 - Other classes that maybe feel more foundational
 - These concerns need to be brought to Elena (Part Time Director)
